

Student Name: _____ Hr. _____

Dear Parents,

As you may know, 95% of all art materials are considered to be consumable. Once they are used they are gone and each year we need to replenish the supply. Due to the rising costs of materials and the reduction of the Art Department's budget we are asking for a \$10.00 Course Fee.

For the \$10.00, your child will be getting class specific tools to use in class and afterwards will be theirs to keep, as well as, the purchase of specialty materials for projects.

The course fee is greatly appreciated and if for some reason you are unable to pay please talk with me for other options (payment plan or in-kind services). Also, the lack of course fee materials will not hinder a student's ability to complete an assignment for full credit.

In order to purchase additional materials for the course we ask that the fee be paid by _____. Again, please contact us if you have any questions.

Thank you so much for your support,
Mrs. Erickson, Mrs. Lockwood, and Miss Lewis (Intern)
